

**For Your Information:**

The goal of the preschool is to provide a fun and productive learning experience for our preschoolers and high school students. We will be doing some messy art projects and playing outside almost every day, so we will be getting dirty from time to time. Please dress your child in clothing that is suitable for getting dirty in.

Also, flip flops are not safe for the climbing equipment on our playground, so please make sure they are wearing suitable shoes.

Please note that CCSI is mandated to maintain a smoke free environment. Smoking is prohibited on the school campus.

Discipline will consist of redirection and if needed the occasional talk with Mrs. Tyler. Corporal punishment is never an option.

School closings for weather are carried on the local radio and TV stations.

We encourage our high school students to adhere to a strict policy of professionalism; however, if you have any questions or concerns about the program, please see Mrs. Tyler. She will be happy to address any questions or concerns you may have.
